

# Columbia River CROSSING

## Contractor Resources

The Columbia River Crossing project will provide multiple contracting opportunities for the construction phase of the replacement I-5 bridge, light rail extension and improvements to roadways. Construction of the CRC project is estimated to begin in late 2013 provided funding is secured. Additional details are under development related to the timing, size and specifications of contract packages.

### How can I prepare for future contracting opportunities?

- Sign up to receive CRC email updates
- Network with potential design-builder teams
- Make sure Oregon and Washington certifications are up-to-date

### Where can I get more information?

## Construction Contracting Schedule

CRC construction will require several different contracts. The project is actively developing plans for release of a design-build Request for Qualifications (RFQ) and Request for Proposals (RFP) for the replacement I-5 bridge (river crossing and approaches).

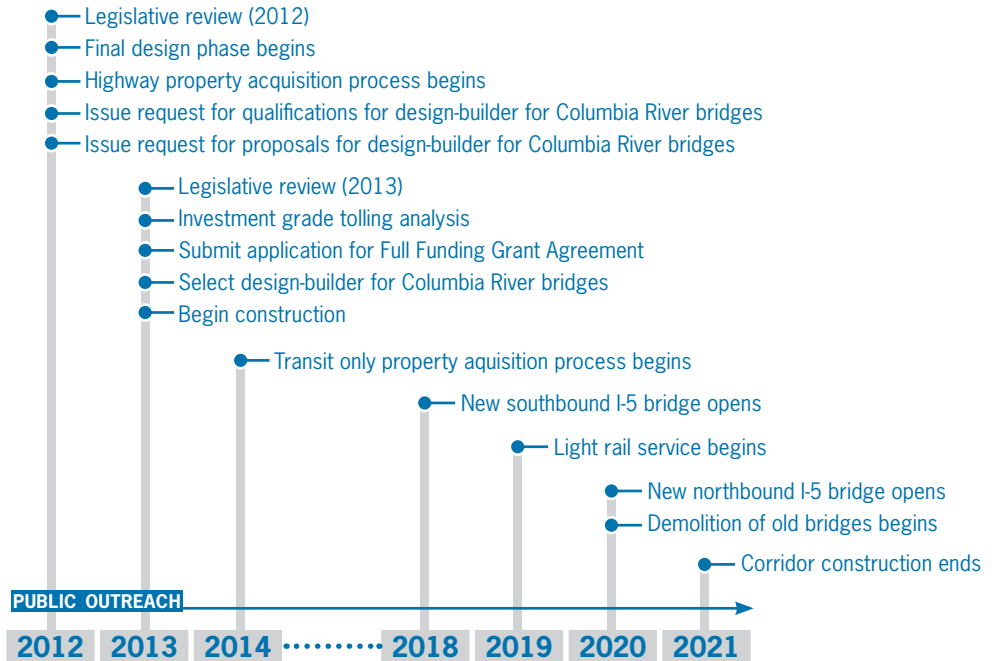

### Anticipated milestones in the CRC design-build procurement process

**Summer 2012** - Issue Design-Build RFQ

**Fall 2012** - Complete RFQ process, select shortlist of submittals

**Late 2012** - RFP anticipated

**Late 2013** - Complete RFP process, select design-builder

**Title VI Notice:** CRC ensures full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from its federally assisted programs and activities. For questions regarding Title VI Programs, you may contact 360-705-7098 or 503-986-4350.
